TRABALHAMOS O INOX À MEDIDA DO SEU NEGÓCIO

PT INDÚSTRIA DE MOBILIÁRIO EM INOX

Fabricamos mobiliário em aço inox para a indústria hoteleira em geral, para o mercado nacional e internacional. Como fabricantes aceitamos todo o tipo de “fabrico especial” como expositores, mobiliário urbano, mobiliário hospitalar e laboratorial, assim como todo o tipo de móveis e estruturas à medida.

Para o efeito, dispomos de gabinete de projetos que apoia o desenvolvimento de novos modelos em parceria com os nossos clientes, sempre atentos à sua satisfação na procura da melhor relação preço/qualidade.

Somos rápidos na orçamentação das obras e disponíveis para analisar, até pessoalmente, qualquer tipo de solicitação. A renovação das máquinas e aquisição de tecnologia de ponta tornam-nos extremamente competitivos nos prazos de entrega de todas as encomendas. Sediados em Braga, um dos maiores pólos da indústria metalomecânica, região dotada de uma das maiores redes viárias de Portugal e beneficiando de uma grande proximidade a zonas portuárias e aeroporto, chegamos rapidamente a qualquer lugar do mundo.

EN STAINLESS STEEL FURNITURE INDUSTRY

We manufacture, deliver and install the highest quality stainless steel furniture, for both the national and overseas hotel & catering industry. As manufacturers, we accommodate any design, style or measurement. We offer a diverse range of products: display cabinets, urban furniture, pharmaceutical, medical or any other industry. Our dedicated engineering and design teams make sure that all designs are tailored to your specific needs, using the very latest modern technology and machinery. We offer unbeatable prices, quick and reliable delivery service and efficient and effective after sales service. Based in Braga, one of the metal working prime locations in Portugal and in close proximity to ports and airports, we are able to deliver anywhere in the world.

**WE TAYLOR THE STAINLESS STEEL
TO YOUR BUSINESS NEEDS**

FR INDUSTRIE DU MEUBLE EN ACIER INOXYDABLE

Nous fabriquons des meubles en acier inoxydable pour l'industrie hôtelière en général, sur le marché national et international. En tant que fabricant, nous acceptons toutes sortes de “production spéciale”-exposants, mobilier urbain, mobilier hospitalier et de laboratoire ainsi que toutes sortes de meubles et de structures à mesure. Pour cela nous avons des projectistes qui soutient le développement de nouveaux modèles en partenariat avec nos clients, toujours attentifs à votre satisfaction et à trouver le meilleur rapport qualité/ prix. Le renouvellement de notre parc de machines et l'acquisition de technologies de pointe nous rend extrêmement compétents dans la livraison de toutes les commandes. A Braga, une région dotée de l'un des réseaux routiers les plus importants au Portugal et en bénéficiant de la proximité d'un grand aéroport et les zones portuaires, nous permet rapidement d'atteindre partout.

PT CONDIÇÕES DE VENDA

Contratos

Qualquer encomenda recebida na BRALINE implica sem reservas a aceitação das presentes condições de venda.
Esta lista de preços anula e substitui todas as anteriores.

1. Preços

Os preços constantes na presente tabela podem ser alterados sem aviso prévio desde que existam razões válidas para tal.

2. Encomendas

As encomendas terão de ser escritas para poderem ser consideradas válidas.

3. Reclamações e Devoluções

Não serão admitidos cancelamentos ou modificações de encomendas depois de terem sido confirmadas por escrito ou de terem sido iniciados os seus fabricos.
Só se aceitam devoluções com o prévio consentimento da BRALINE.

4. Garantia

A garantia contra defeitos de fabrico é de 12 meses a contar da data da factura.
A existência de um defeito deverá ser reconhecido pelos serviços técnicos da BRALINE.

5. Transporte

Transporte incluído na zona Euro para encomendas superiores a 10.000 Euros.

6. Prazos de Entrega

Os prazos de entrega são indicativos estando sujeitos aos níveis de produção da BRALINE.

7. Pagamentos

Os pagamentos serão efetuados nas condições previamente definidas aquando da receção das encomendas.

8. Jurisdição

Para resolução de qualquer litígio é competente o foro da Comarca de Braga.

EN GENERAL TERMS OF SALES

Contracts

Any orders received by BRALINE are without doubt or reservation the acceptance of the present selling terms and conditions by the buyer.
This price list cancels and replaces all previous lists.

1. Prices

The current catalogue prices can be altered by BRALINE without prior agreement provided there are valid reasons to do so.

2. Orders

All orders must be submitted in writing, in order to be valid and acknowledged.

3. Returns

No cancellations or modifications will be allowed or accepted after written confirmation of such order has been received and or manufacturing of same order has started. Returns will only be accepted with prior agreement from BRALINE.

4. Warranty

12 months from date of invoice. Any defects have to be recognized and accepted by BRALINE's Technical Service Department.

5. Transport

Transport is included in the Euro Zone (UK, Switzerland also included) for orders above 10.000 Euros.

6. Delivery

Any dates quoted for delivery are approximate only and subject to production.

7. Payments

Payments will be made in accordance with the agreement made at the time of acceptance of written order.

8. Jurisdiction

The agreement shall be governed by the Laws of Portugal and the parties agree to submit to the jurisdiction of the Comarca de Braga.

FR CONDITIONS GÉNÉRALES

Commandes

Toutes les commandes reçues chez Braline sont conditionnées à l'acceptation intégrale de ces conditions de vente.
Ce catalogue annule et remplace tous les autres d'auparavant.

1. Prix

Les prix mentionnés sur cette tarif peuvent être remplacés sans préavis.

2. Commandes

On n'accepte que des commandes écrites pour initier leur production.

3. Reclamations et Devolutions

Annuler ou modifier des commandes n'est pas permis une fois les avoir réceptionnées par écrit ou bien avoir déjà commencé leur fabrication.

4. Garantie

La garantie de fabrication est de 12 mois à partir de la date de la facture.

5. Transport

Les frais de transport sont déjà inclus pour la zone Euro pour des commandes supérieures à 10.000 Euros.

6. Délais de Livraison

Les délais de livraison sont indicatifs et donc devront tenir en compte les niveaux de production de BRALINE.

7. Paiements

Les paiements seront faits selon les conditions négociées lors de la commande.

8. Jurisdiction

Pour la résolution de tout litige le tribunal compétent est celui du district de Braga.

PT Construção

Neste separador destinado as bancadas fechadas, pode encontrar todo o que precisa para organizar a sua cozinha.

Todos os produtos foram desenhados com o objectivo de oferecer um comportamento profissional e duradouro, utilizando matérias primas e componentes de primeiro nível, associados a uma fabricação segundo padrões modernos e certificados.

Aqui pode encontrar bancadas desenvolvidas com tampos em aço AISI 304 1.2mm com uma construção soldada.

Para podermos ir de encontro com as suas necessidades reservamos também uma área para produtos desenvolvidos por medida adaptando-se ao seu negócio.

Pode criar a sua bancada ao seu gosto, escolhendo a sua cor. Para isso basta entrar em contacto com a nossa equipa de desenvolvimento.

EN Construction

In this tab designed for the enclosed tables, you can find all that you need to organize your kitchen.

All products were designed with the aim of offering a professional and lasting behavior, using raw materials and first level components, associated with a modern and certified manufacturing.

Here you can find benches made of AISI 304 1.2mm steel with welded construction.

In order to meet your needs, we also reserve an area for tailor-made products adapting to your business.

You can create your workbench to your liking by choosing your color. To do this simply contact our development team.

FR Construction

Dans cet onglet conçu pour les bancs fermés, vous pouvez trouver tout ce que vous avez besoin pour organiser votre cuisine.

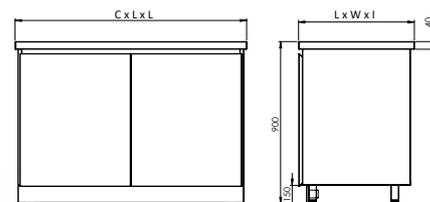

Tous les produits ont été conçus dans le but d'offrir un comportement professionnel et durable, en utilisant des matières premières et des composants de premier niveau, associés à une fabrication moderne et certifiée.

Vous trouverez ici des bancs en acier AISI 304 de 1,2 mm de diamètre avec construction soudée.

Afin de répondre à vos besoins, nous réservons également un espace pour des produits sur mesure s'adaptant à votre entreprise.

Vous pouvez créer votre plan de travail à votre guise en choisissant votre couleur. Pour ce faire, il vous suffit de contacter notre équipe de développement.

**PT** Construção

Neste separador destinado a mesas e lavadouros suspensos pode encontrar o material necessário para o melhor aproveitamento do espaço.

Todos os produtos foram desenhados com o objectivo de oferecer um comportamento profissional e duradouro, utilizando matérias primas e componentes de primeiro nível, associados a uma fabricação segundo padrões modernos e certificados.

Aqui pode encontrar mesas suspensas desenvolvidas em aço AISI 304 1,2mm com uma construção soldada.

Para podermos ir de encontro com as suas necessidades reservamos também uma área para produtos desenvolvidos por medida adaptando-se ao seu negócio.

Para isso basta entrar em contacto com a nossa equipa de desenvolvimento.

EN Construction

In this tab designed for tables and hanging washers can find the material needed for the best use of space.

All products were designed with the aim of offering a professional and lasting behavior, using raw materials and first level components, associated with a modern and certified manufacturing.

Here you can find suspended tables developed in steel AISI 304 1,2mm with a welded construction.

In order to meet your needs, we also reserve an area for tailor-made products adapting to your business.

To do this simply contact our development team.

FR Construction

Dans cet onglet conçu pour les tables et les rondelles suspendues, vous pouvez trouver le matériel nécessaire à une utilisation optimale de l'espace.

Tous les produits ont été conçus dans le but d'offrir un comportement professionnel et durable, en utilisant des matières premières et des composants de premier niveau, associés à une fabrication moderne et certifiée.

Ici vous pouvez trouver des tables suspendues développées en acier AISI 304 1,2mm avec une construction soudée.

Afin de répondre à vos besoins, nous réservons également un espace pour des produits sur mesure s'adapter à votre entreprise.

Pour ce faire, il vous suffit de contacter notre équipe de développement.
